

## DOUBLE YOUR IMPACT!

*Did you know that many companies, such as the ones below, will match charitable contributions made by their employees?*

### ***What is a company matching gift?***

- A matching gift is a donation made by a company to match donations made by their employees to nonprofit organizations, such as St. Stephen School.
- Browse the list on the back of this flyer to see if your company is on the list. Please contact your company's HR Department to learn about their matching gift program.
- If you don't see your company on the list, ask your HR Department to see if they offer a matching gift program.
- **Your donation and your company's matching gift are tax-deductible.**
- If you have any questions about how a company matching gift program works, please contact at [development@sfststephenschool.org](mailto:development@sfststephenschool.org).
