

**St. Stephen Preschool  
Nut-Free Policy and Acknowledgment**

Saint Stephen Preschool prides itself in putting the children and their health and safety first. This is why we continue to be a NUT-FREE environment. Peanuts, walnuts, almonds, hazelnuts, cashews, pistachios, pecans and brazil nuts are all excluded from our program. We request your assistance in providing our children with a safe environment. It is highly important that stringent avoidance of these nut products be taken in order to prevent allergic reactions that may be life threatening.

To reduce the chances of a potentially life threatening allergic reaction, please do not send any peanut or nut containing products to school that will be ingested by your child or shared with during a celebration, school function or birthday snack.

If your child ate any type of peanut product prior to attending their class day, please make sure that you wash their face and hands well with soap and water before coming to school.

I have read, understand and agree to St. Stephen Preschool's Nut/Peanut Free School Policy. I agree to help keep the school a nut and peanut free environment.
